

NATIONAL SCIENCE OLYMPIAD-II SYLLABUS

Note: National Junior Science Olympiad has been merged into National Science Olympiad

Paper of National Science Olympiad for class 4th to 8th Grade will be according to the following pattern;

- Syllabus of the paper will consist on science.
- Paper will be purely from science book.
- Test will be MCQs based from science book only.
- Every student has to prepare from their respective class sciencebook.
- Paper will be from the relevant class and subject.
- You have to prepare for test from science book of your class only.
- Roll Number slips will be issued till 13th November, 2023.
- Test dates will be mentioned on roll number slips.
- Test will be online.

Test Pattern:

Class	Book	MCQs	Total Marks	Time (Minutes)
4th	4 th Class Science	70	70	60
5th	5 th Class Science	70	70	60
6th	6 th Class Science	70	70	60
7th	7 th Class Science	70	70	60
8th	8 th Class Science	70	70	60

There are four subjects for science contest of **9th to master level** students. Candidates can participate in more than one category by submitting new application for each subject and they need to pay registration fee for each category individually.

- Physics
- Chemistry
- Computer Science
- Biology

Paper pattern for each subject is given below:

Physics Paper:

For those who select to participate in physics test, Paper of National Science Olympiad will be according to the following pattern;

- Syllabus of the paper will consist of physics.
- Paper will be purely from physics book.
- Test will be MCQs based from physics book only.
- Every student has to prepare from their respective class physics book.
- Paper will be from the relevant class and subject.
- You have to prepare for test from physics book of your class only.
- Roll Number slips will be issued till 13th November, 2023.
- Test dates will be mentioned on roll number slips.
- Test will be online.

Test Pattern:

Class	Book	MCQs	Total Marks	Time (Minutes)
9 th	9 th Class Physics	70	70	60
10 th	10 th Class Physics	70	70	60
11 th	11 th Class Physics	70	70	60
12 th	12 th Class Physics	70	70	60
O/A-Levels	From their Physics Book	70	70	60
DAE	From their Physics Book	70	70	60
Category-III (NSO-III)	General Physics	70	70	60

Chemistry Paper:

For those who select to participate in chemistry test, Paper of National Science Olympiad will be according to the following pattern;

- Syllabus of the paper will consist of chemistry.
- Paper will be purely from chemistry book.
- Test will be MCQs based from chemistry book only.
- Every student has to prepare from their respective class chemistry book.
- Paper will be from the relevant class and subject.
- You have to prepare for test from chemistry book of your class only.
- Roll Number slips will be issued till 13th November, 2023.
- Test dates will be mentioned on roll number slips.
- Test will be online.

Test Pattern:

Class	Book	MCQs	Total Marks	Time (Minutes)
9 th	9 th Class Chemistry	70	70	60
10 th	10 th Class Chemistry	70	70	60
11 th	11 th Class Chemistry	70	70	60
12 th	12 th Class Chemistry	70	70	60
O/A-Levels	From their Chemistry Book	70	70	60
DAE	From their Chemistry Book	70	70	60
Category-III (NSO-III)	General Chemistry	70	70	60

Computer Science Paper:

For those who select to participate in Computer Science test, Paper of National Science Olympiad will be according to the following pattern;

- Syllabus of the paper will consist of Computer Science.
- Paper will be purely from Computer Science book.
- Test will be MCQs based from Computer Science book only.
- Every student has to prepare from their respective class Computer Science book.
- Paper will be from the relevant class and subject.
- You have to prepare for test from Computer Science book of your class only.
- Roll Number slips will be issued till 13th November, 2023.
- Test dates will be mentioned on roll number slips.
- Test will be online.

Test Pattern:

Class	Book	MCQs	Total Marks	Time (Minutes)
9 th	9 th Class Comp. Science	70	70	60
10 th	10 th Class Comp. Science	70	70	60
11 th	11 th Class Comp. Science	70	70	60
12 th	12 th Class Comp. Science	70	70	60
O/A-Levels	From their Comp. Science Book	70	70	60
DAE	From their Comp. Science Book	70	70	60
Category-III (NSO-III)	General Comp. Science	70	70	60

Biology Paper:

For those who select to participate in Biology test, Paper of National Science Olympiad will be according to the following pattern;

- Syllabus of the paper will consist of Biology.
- Paper will be purely from Biology book.
- Test will be MCQs based from Biology book only.
- Every student has to prepare from their respective class Biology book.
- Paper will be from the relevant class and subject.
- You have to prepare for test from Biology book of your class only.
- Roll Number slips will be issued till 13th November, 2023.
- Test dates will be mentioned on roll number slips.
- Test will be online.

Test Pattern:

Class	Book	MCQs	Total Marks	Time (Minutes)
9 th	9 th Class Biology	70	70	60
10 th	10 th Class Biology	70	70	60
11 th	11 th Class Biology	70	70	60
12 th	12 th Class Biology	70	70	60
O/A-Levels	From their Biology Book	70	70	60
DAE	From their Biology Book	70	70	60
Category-III (NSO-III)	General Biology	70	70	60
